Dear Tran Hong Ha

Recognition as an inspection agency

I advise that the Center of Industrial Safety Registration Zone II has been recognised as an inspection agency under regulation 15.1 of the New Zealand Health and Safety at Work (Hazardous Substances) Regulations 2017.

The recognition is for the inspection and certification of the manufacture of cylinders to hold gases under pressure at the Center of Industrial Safety Registration Zone II accredited locations specified on its certificate of accreditation VIAS 017.

The recognition is limited to:

- a. the quality control of LPG cylinder manufacture in accordance with Center of Industrial Safety Registration Zone II procedures for third party quality inspection and control services for cylinder safety inspection of steel cylinders for LPG.
- b. the inspection of LPG cylinder manufacture made to the design standard ISO4706.

This recognition expires on the earlier of 31 July 2023 or withdrawal by the Vietnamese Ministry of Science and Technology Bureau of Accreditation of its accreditation of The Center of Industrial Safety Registration Zone II under ISO / IEC 17020: 2012 Conformity assessment -- Requirements for the operation of various types of bodies performing inspection.

Your sincerely
